

Community Newsletter

December is a busy month and brings about a bit of nostalgia. And it is times like this that we should stop a minute and reflect on all the changes we have been through. This is just as true for Bay House and as it is now known, Island Point. The building has seen a lot of changes throughout its life.

However, there has been one constant in its halls and that is Mrs. Lillian Dickinson. She is the longest running resident and has seen it all.

Join her in the conference room on December 3 at 11:00 and hear some of her stories and see some of the photos she has of our home.

TOYS FOR TOTS TOY DRIVE

You may have noticed the white box in the lobby labeled Toys for Tots. We are collecting new toys for children. Please place a new unwrapped toy in the box and help spread some Christmas joy to children in the area

TOWN HALL

The town hall is a chance to ask questions of the team that will be working with the pipe renewal for the building and explain the procedures and what to watch for as water will be turned off as they work on each section.

INDOOR PEST TREATMENT

There is a sign-up sheet at the mailboxes. Remember, you must be present in your unit at the time of treatment.
